

STAMP 62 -Constellation Nuclear Procedures requires all non-permanent/badged personnel to provide an acceptable form of identification, such as:

- Valid government issued id with a photo
- Employer issued id with a photo.

If processing into the Protected Area as a visitor, individuals are required to provide:

- Valid government issued identification with a photo and,
- Social security number.

Please inform all drivers they must comply with this request for access to all Constellation Nuclear Facilities. The drivers are not to bring any contraband or facsimile thereof to the facility. Failure to comply will result in refusal of access to the facility.

Drivers making deliveries to Nuclear Generating sites must be aware of the following:

All of the following items are prohibited from Constellation Property.

- Firearms (including parts, facsimiles and ammunition)
- Explosives
- Incendiary devices
- Alcoholic beverages
- Illegal drugs and drug paraphernalia
- Incapacitating agents (mace, pepper spray, etc.)
- Hunting bows
- Illegal knives such as switchblades

IF YOU HAVE ANY OF THE ABOVE ITEMS YOU MUST INFORM SECURITY PRIOR TO ATTEMPTING ENTRY.

Depending on the product being delivered, the site may require collecting a sample of the product and testing it prior to unloading the product.

No solvents or chemical products (such as WD-40) owned by the driver can be used without permission from site personnel to assure conformance with the site's Consumable Chemical Control Program.

For delivery access to an Exclusion Zone/Protected Area, submit 48-hour notice prior to anticipated need. (SY-AA-101-130)

Prior to entering the Exclusion Zone/Protected Area, Vehicles and all contents will be thoroughly searched. Assure that all locked compartments can be opened.

Protected Area access will not be granted without valid government photo identification (i.e. driver's license, or FOI card)

Fitness-For-Duty - Visitors who have consumed alcohol within the last 5 hours should not request access to the Protected Area.

Medication must be kept in its original container (e.g. do not mix medications in the same container) and the name on the medication bottle is to match the name of the individual possessing it.

Declared Contraband / Prohibited Items

Note: Security must contact LLEA for all suspected illegal substances and illegal firearms, explosives, or incendiary devices.

Do not bring any items and material with you that are not absolutely necessary (i.e. briefcases, duffel bags, tool boxes, tarps, animals, etc.) Assure that the vehicles are reasonably well kept. Clothing, towels, rags, work gloves, and other such items that are not necessary for the delivery will lengthen the amount of time taken to search the vehicle. Removing unnecessary objects from the glove compartment will also assist in performing the search more quickly.
