

Peter Oppenheimer

Independent Director

Profile

Peter Oppenheimer is an esteemed financial expert with extensive experience in leading the financial divisions of pioneering technology companies.

Professional Background

Oppenheimer is the former Senior Vice President and Chief Financial Officer of Apple where he oversaw the controller, treasury, investor relations, tax, information systems, internal audit, facilities, and corporate development functions.

In his 18 years at Apple, he served in several senior leadership roles which also included the management of IT and data centers, and Latin American operations. Prior to his tenure at Apple, Oppenheimer served as Chief Financial Officer of the Claims Services Division of Automatic Data Processing Inc (ADP) and as a consultant in the Information Technology Consulting Practice of Coopers & Lybrand LLP (now PricewaterhouseCoopers).

Community Work

Oppenheimer has been a member of the board of directors of Goldman Sachs since 2014.

Educational Background

He received his B.A. (cum laude) from California Polytechnic State University and an MBA (cum laude) from the Leavey School of Business, University of Santa Clara.
