

Susie Kutansky

Senior Vice President and Chief Human Resources Officer
Constellation

Profile

As Senior Vice President and Chief Human Resources Officer for the new Constellation, Susie is responsible for the company's human resource operations, compensation, benefits, employee relations, diversity, equity & inclusion, talent management, human resources solutions, recruiting, and organizational effectiveness. She serves on the Constellation Executive Committee, which sets strategy and direction for the company.

Constellation is the nation's largest supplier of clean energy with more than 32,400 megawatts of generating capacity from nuclear, wind, solar, natural gas and hydro assets. The new, publicly traded company will produce about 10 percent of America's carbon-free energy, making it a leader in addressing the climate crisis and an indispensable partner to businesses and state and local governments with its carbon-reduction goals.

Professional History

Kutansky previously served as vice president of human resources for ComEd where she set the HR strategy for over 6,000 employees as a member of the senior leadership team. Prior to that, she served as director of employee & labor relations for Exelon Generation then to ComEd where she led labor strategy development and execution, negotiations, training, contract interpretation and union relations.

In her eighteen years of professional experience at Exelon, she held various roles providing expertise and counsel to the Utility, Generation and Business Services Companies. She has also held HR leadership roles on cost optimization efforts and merger due diligence and integration. In addition, Susie has served as a prior Chair for the Nuclear Human Resources Group. Before Exelon, Susie held human resource and new business roles at ADP TotalSource.
